

United in the Fight Against AIDS in Western New York (2007)

AIDS Community Services of Western New York, Inc.

AIDS Community Services is a not-for-profit community-based organization committed to ending the AIDS epidemic and minimizing its effect in the eight counties of Western New York. We provide medical, supportive and prevention services in a comprehensive model that encourages individuals to take responsibility for their health and quality of life. We are committed to developing partnerships with other providers to develop and maintain healthy communities.
